#### **St. Peter's Church Dromiskin Centenary Year 2026**

This year we celebrate one hundred years of St Peter's Church — a sacred place where generations of our families were baptised, married, mourned their loved ones, received the Eucharist and brought their hopes, sorrows and prayers before the Lord. A Mass to mark this milestone will take place on Sunday Oct.4th at 3.00pm followed by a light meal in St. Joseph's GFC hall. The Mass will be led by Archbishop Eamonn Martin.

#### **St Peter's Church Centenary Building Project**

As we celebrate 100 years of St Peter's Church, we are preparing for a major programme of essential works to preserve and improve the church for future generations. The proposed works include: Complete rewiring and a new lighting system — **€160,000** External bitmac surfacing and drainage — **€75,000**

New weekday Mass chapel and meeting room — **€20,000**

New external building with toilets, boiler facilities and storage — **€60,000**

**€36,000** has been raised for mosaics around the altar, and **€5,500** for repairs to the stained-glass windows.

When builders' works, scaffolding, insurance, professional fees and other associated costs are included, the total cost of the project is expected to be approximately **€450,000–€500,000**. The work can be carried out in phases as funds become available. Every donation, large or small, will bring us another step closer to completing these necessary works. Grant-awarding bodies normally require clear evidence that the local parish community is actively supporting and fundraising for a project. Our own contribution will therefore be vital in helping us to secure additional grant funding. To date, **€1,900** has been donated We sincerely thank all who have contributed. How to Donate:

**By cheque:** Payable to the **Darver Dromiskin Parochial Account**

**By bank transfer:** **IE62BOFI 90336574478226**. Cash or cheques may also be left with:
